About Fraser Valley Regional Library

Fraser Valley Regional Library is the largest public library system in British Columbia, with 24 community libraries serving over 680,000 people in its service area. Established in 1930, it is funded with taxes raised in the communities it serves, plus a Government of BC operating grant. The governing Board consists of elected officials representing 15 member municipalities and regional districts. With its mission "to connect people to the world of information and ideas," FVRL plays a prominent role in the communities throughout the Fraser Valley.
